# The FIITJEE Journey

FIITJEE was created in 1992 by the vision and toil of Mr. D. K. Goel, a Mechanical Engineering Graduate from IIT Delhi. We had a very humble beginning as a forum for IIT-JEE, with a vision to provide an ideal launch pad for serious JEE aspirants. Along the way to realization of this vision, we went beyond merely coaching for IIT-JEE. We actually started to make a difference in the way Students think and approach problems. We started to develop ways to enhance Students' IQ. We started to leave an indelible mark on the Students who have undergone FIITJEE training. We started changing lives. And all this was not a sheer coincidence. It was the urge, the compelling desire, to always aspire for perfection and in the process, continuously keep on setting newer benchmarks of excellence, which enabled us and our Students to achieve what we have achieved. Today, aiming for the unachievable and continuously raising the bar has become a part of the FIITJEE DNA.

The Success of our Students was inspiring and so was their faith in FIITJEE. It was this faith that was a catalyst for our venturing into areas beyond IIT-JEE. It was this faith that prompted us to embark on a mission to provide **Wholesome School Education** to Students through FIITJEE Integrated School Programs like **UDAYA PLUS, SUPREME & PINNACLE**, in a way so that there was no need for any type of coaching outside of the School System. In addition to the launch of **FIITJEE Junior Colleges in Bangalore, Bhubaneswar, Hyderabad, Vijayawada & Visakhapatnam** many like-minded Schools across the Country joined hands with us in this Student centric endeavor to create **Ideal School Education** platform for Students to get admission in IITs & US Universities without stress & tension along with huge success in Olympiads, SAT-I & SAT-II. And it was this faith only that again enabled us to create landmark success in NTSE.

And it is this very faith that has again inspired us to provide a platform for Students aspiring for admission to US Universities in form of **USA UnivQuest** - a comprehensive program taking care of all aspects of the preparation - in the same old, trusted FIITJEE way. Launch of **FIITJEE World Schools at Hyderabad** was a concentrated effort in that direction, where Students are being trained for the best in the world through methodologies and practices that are truly world Class. Students in other select cities will also have an opportunity for preparing for admission to US Universities through USA UnivQuest School Integrated Programs to be run in collaboration with our Select Associate Schools.

“ This Journey from just an IIT-JEE Coaching Institute to the most powerful brand in serious education has been exhilarating. However, the Journey is not over yet. For us at FIITJEE, The Journey will never be over...

**For us, this Journey itself is the destination. ”**

D. K. Goel

(Founder Chairman and Chief Mentor)
