IMPORTANT INFORMATION FOR STUDENTS (and their parents / legal guardians)

- I. Before Taking Admission - Each Candidate, His/Her Parents & Legal Guardians are required to -
 - (a) Go through the FIITJEE Leaflet / Brochure / Information Booklet, word of advice, selection letter & website thoroughly. Other than these no other verbal assurance of any kind is given by FIITJEE.
 - (b) It is advised that student undergoes a comprehensive Medical Examination to ensure that he/she is physically & mentally fit to take the rigors of preparing for a competitive exam including but not limited to JEE Advanced & JEE Main etc. as the case may be.
 - (c) Meet few FIITJEE students successful in IIT-JEE / AIEEE {now JEE Advanced & JEE Main respectively}, NTSE etc & learn what made them successful. What was the contribution of FIITJEE in their success? Also meet a few FIITJEE students not successful in IIT-JEE / AIEEE {now JEE Advanced & JEE Main respectively} / NTSE & learn why they could not qualify IIT-JEE / AIEEE {now JEE Advanced & JEE Main respectively} / NTSE.

We highly advise that you also talk to Non - FIITJEE students both successful in IIT & the unsuccessful ones, to form a clear opinion regarding what a coaching institute can do for you.

Please do not take admission at FIITJEE if you think FIITJEE is not the best for JEE coaching.

An intelligent student having aptitude & analytical skills for JEE / NTSE etc has to have self study for at least 3 hrs. for every hour taught at FIITJEE. Needless to say if you have not been a highly analytical student you have to put in even greater efforts.

For success in JEE, it is also important to have excellent performance In XII Board Exams. Furthermore, JEE is a different exam where you will feel lost if you do not focus on fundamentals and/or you do not develop / have high analytical skills. Any amount of effort will be in vain without high analytical skills. Admission at FIITJEE does not mean that you have high analytical skills. FIITJEE teachers will guide you in such a way that your fundamentals are strengthened and you can improve your analytical skills tremendously, whether it happens or not will depend upon you. The only way to develop strong fundamentals & improve your analytical skills & therefore your chances to get through JEE Main / JEE Advanced / NTSE, etc with excellent School / Board performance is to solve each & every problem in FIITJEE assignments yourself. You may have to make several attempts & even go back to your basics to refresh them to solve a particular problem. It is this intensity & quality of effort which will help you develop good analytical skills. Ultimately a student who is enrolled with institute will have to continuously work hard and must be regular in studies. In case, the teachers feel that the student is not working hard, is creating indiscipline in the Institute, is irregular in attendance or is not responding properly, he/ she may be expelled from the institute. The decision of FIITJEE in this regard will/shall be final and binding on the students. No fee or part of the fee will be refunded in such case.

In the end remember, while anyone can appear in JEE Main / JEE Advanced or pretend to prepare but only the ones who walk the right path will succeed. FIITJEE has no magic potion to make you successful. Preparing to achieve optimum performance in both Boards & JEE will challenge every bit of your mental & physical energies.

2. FIITJEE starts making arrangements of infrastructure, faculty & other resources about 6 months before commencement of financial year. FIITJEE admits students as per its capacity plans, (subject to unforeseen circumstances & usual organizational risks) therefore each student taking admission has to pay complete fee under all circumstances i.e. even if he/she discontinues for any reason whatsoever or parents / guardians be transferred. Not all students who sit in our admission test are offered admission therefore you & parents have to be very sure before taking admission as you have to pay complete fee under all circumstances.

Once a class starts FIITJEE does not admit any students. Therefore, any vacancy created by a student leaving cannot be filled up. Since FIITJEE has to source infrastructure, faculty etc. in advance, loss of fees of students leaving after taking admission will compel the institute to enhance fees for next batch of students which is unfair to them. Therefore, students / parents must clearly understand this important aspect and take admission only if they are fully satisfied.

3. FIITJEE has been producing the highest number of selections in IIT-JEE / JEE Advanced from Classroom programs for the last 26 years, since 1997 and from all programs for the last 25 years since 1998. FIITJEE students have also been excelling in NTSE, KVPY, Junior and Senior Olympiads. Many unethical institutes with an intention to highjack FIITJEE results approach students, prepared by FIITJEE through its hard work & strategic inputs, in a bid to lure these students to join them. Such unethical and unfair activities by other Institutes should be discouraged by students / parents by not indulging in the same.
4. Any change in government rules, regulations, policies pertaining to the courses of competitive exam such as JEE Main / JEE Advanced, Olympiads, KVPY, NTSE etc. which may render these exams as deleted or cancelled. In such eventuality, FIITJEE shall not be held responsible in any manner whatsoever. However, FIITJEE shall take all necessary steps to protect the interest of students.

5. I/We understand and acknowledge that FIITJEE does not give any guarantee / promise / assurance for success in JEE Main / JEE Advanced / XII boards, inspite of providing the best teaching faculty and methodology, due to high-end competition and limited number of seats in IIT. I undertake that I shall not hold FIITJEE responsible if I may not succeed the JEE or other competitive exam.
6. I/We understand and acknowledge that preparation for JEE requires exhaustive hard work, extensive study, motivation and self confidence. I undertake that I shall follow the rules and teaching methodology beside study and practice rigorously without loosing self-confidence.
7. I/We clearly understand that FIITJEE on completion of topics to be covered by FIITJEE in Class XI as per it's plan, will do goal refocusing for all Two Year Classroom Program students including PINNACLE program students to help each student achieve maximum possible success. This means that some students based on their performance, may have to predominantly focus on exams other than JEE (Main & Advanced).
8. I undertake that if I leave the institute midway before completing the full course for any reason whatsoever, including but not limited to transfer of my Father / Mother / Legal Guardian / ill health of myself or any other member of the family or my admission in any institute / course / engineering college etc., or my studentship is cancelled because of misconduct etc., I or my Father / Mother / Legal Guardian shall not be entitled for refund of fees.

10. In addition to the above, I understand without any ambiguity that the fee once paid is not refundable at all, whatever the reasons be, nor is it adjustable towards any other existing courses at FIITJEE or any yet to be launched nor towards the fee of any other existing or prospective student.
11. I undertake that I shall abide by the rules & regulations of FIITJEE or FIITJEE's associated schools. I undertake that in case of any dispute relating to breach / violation of any of the Rules & Regulations of FIITJEE or FIITJEE's associated school, the decision of the Management of FIITJEE shall be final and binding in all circumstances and situations, whatsoever.
12. It is understood that this admission is valid only for the course and the duration for which I am taking admission and I/We (the student and the Parents / Legal Guardian) shall not claim / request for admission to and adjusting the fees to any other course or duration.
13. I/We acknowledge that the course materials provided to the student by FIITJEE during the course of study at FIITJEE are the intellectual property of FIITJEE and solely for personal purposes and not for commercial use. I further undertake that I shall not make copies of the study material provided by FIITJEE nor shall provide / give / distribute it to anyone else.
14. FIITJEE has enjoyed great relationship with the students and parents. Almost all students in every class and every program have been succeeding in coping up with huge pressure of simultaneous preparation for competitive exams along with school / board studies. In few cases where some students do discontinue because they are not able to cope up with simultaneous competitive exam preparations along with school / board studies, the parents have continued to support the good work of FIITJEE.

What will constitute deficiency in service?

If the average feedback of the particular subject teacher goes below 70% in the Feedback Form "Annexure - FB" (attached herewith), then the said teacher will be considered to teach below the minimum FIITJEE Standard. If a teacher gets less than 70% feedback in two consecutive periods then his/her teaching will be considered unsatisfactory by high FIITJEE standards.

15. I/We have fully satisfied ourselves with regards to quality and excellence of teaching at FIITJEE from all available information / sources and have decided to study only at FIITJEE. I/We wish to pay the entire fees as per the Fee Plan _____ (Fee Plan I / Fee Plan II / Fee Plan III) option (the same is signed by me & the student and is attached with this enrolment form) at our own sweet will and convenience without any pressure / coercion from any one.

Further I/We understand that the student is required to work hard to attain the average standard of the batch allotted in order to cope up with studies and put in extra efforts if lagging behind in any subject / topic.
25. I/We further undertake to ensure that cheques / drafts including post dated cheques / NACH Mandate if any given by us will be honoured by our bankers. In the event of these cheques/drafts being dishonoured, FIITJEE is at liberty to initiate any action against us including legal proceedings under section 138 of Negotiable Instruments Act or other appropriate law.
26. I know that registered office of FIITJEE Ltd. is situated at New Delhi.
27. I promise to abide by all rules and regulations of FIITJEE declaration, in letter and spirit.
