IITs have restricted the no. of attempts for JEE Advanced. Students now just have two chances – one right after the XII board exams and the second immediately in the next year. As a priority, they should try to succeed in JEE Advanced in the first attempt and not take unnecessary pressure as uncertainty of ill-health or any accidents while appearing for the second & last attempt can be too risky. Best way is to start your JEE preparation from the beginning of Class IX, but if you have not been able to do so, it is prudent to start your preparation at the earliest. Three Year Classroom Program for JEE Advanced 2026 for Students who are presently in Class X is the next best alternative.

Physics, Chemistry, Mathematics, Biology, Social Studies & Mental Ability will be covered for NTSE level while focus for JEE Advanced continues. Classroom contact hours of approx. 1028 hrs. i.e. (300 in Class X, 427 in Class XI & 301 in Class XII). Entire course is divided into 9 Phases - 4 Phases in Class X, 3 Phases in Class XI & 2 Phases in Class XII. Our Academic Phase Plan covers the entire syllabus of JEE Main and JEE Advanced.
