

Classroom Program

for Students of **Class 8**

UDAYA

One Year
Classroom Program

This is an Ideal Program for Students who wish to climb the ladder of academic success from Class VIII itself.

www.fiitjee.com/udayaone.htm

- ✓ This program raises your analytical, creative & higher-order thinking skills which inevitably increase IQ, EQ & SQ without causing undue stress.
- ✓ Experience fundamentals-based teaching that builds strong academic foundation required to be successful in an array of careers.
- ✓ This program increases awareness about your academic needs and future goals right from an early stage.
- ✓ This program comprehensively prepares you for your respective class in school and lays a strong foundation to excel in whichever stream you may choose after Class X.
- ✓ Along with Physics, Chemistry & Mathematics, Biology is also taught in this program. Mental ability is exhaustively taken up.
- ✓ This program lays a strong foundation for competitive exams like NTSE, IOQJS (NSEJS & IJSO), IOQM, Green Olympiad, NEET, JEE Main & JEE Advanced, etc.

The entire course will be covered in **4 Phases** and the duration of the program will be about 220 hours including Classroom interaction and tests.

Besides, these Students will also get the following as an Integral part of the program :

- A Single comprehensive study material (by Megacosm Cognitions) : Additional problems will be supplemented wherever necessary. Students should not require any additional books, etc.
- Chapter Practice Problems : Students will be given Chapter Practice Problems (CPP) on each chapter which they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty and will be returned to the Students with remarks and suggestions. Thereby, helping every Student to develop a strong command over fundamentals-based conceptual knowledge, crucial for getting Top ranks.
- Work Books for Home Assignment.
- Regular feedback & Test Analysis Sessions.
- Students also gain important exam practice through quizzes, phase tests, & mock tests (conducted in a simulated environment giving the Students a 'feel' of the real exam) that can help them improve their examination temperament - a necessary element for success in any competitive exam.
